Index No. 15989/0

**EMERGENCY
AFFIRMATION IN
SUPPORT**

I, George M. Gilmer, Esq., an attorney duly authorized to practice law before the Courts of the State of New York, hereby affirms under the penalties of perjury that:

1. I make this emergency application in support of the present motion to reenroll the Plaintiff in Ross University School of medicine and to compel the medical school to sponsor for the upcoming USMLE step medical boards, scheduled for July 27, 2006.
2. I make an emergency affirmation because the test is scheduled for one week from today.
3. As shown in the annexed summons and complaint, attached here to as Exhibit A and in the annexed Affidavit of the Plaintiff the school has wrongly denied the plaintiff opportunity to take the USMLE Medical Boards and has wrongly withdrawn the Plaintiff from its Medical School.

4. As the annexed letter shows the Defendant Administratively Withdrew the Plaintiff from its school because he allegedly did not successfully complete the AICM course and pass the USMLE Step 1 exam. This letter is attached here to as Exhibit "B".
5. The plaintiff is currently registered for the USMLE step 1 exam. Attached hereto as Exhibit "C" is proof that the Plaintiff is registered for this exam.
6. The school has promised that it would sponsor the Plaintiff for this exam. Attached hereto as Exhibit "D" of the school's sponsorship for this exam.
7. Last week the school told the Plaintiff that they will withdraw their sponsorship of him for the exam and because of this the plaintiff will not be able to take the test.
8. According to the school manual attached here to as Exhibit "E" a student is eligible to take the USMLE step 1 in the following was
 - a. Passing all courses in the Basic Science Curriculum and having a 4th semester cumulative GPA of 4.90 or higher; or
 - b. Passing all courses in the Basic Science Curriculum and having a 4th semester cumulative GPA of 2.89 or lower, and passing the NAME

Comprehensive Basics Sciences Examination at the end of the 4th semester; or

- c. Taking the BMSI course and passing either the BMSI final comprehensive examination or the NBME Comprehensive Basic Science Examination administered after the completion of the BMSI course

9. The Plaintiff has met the eligibility requirements of this section.

10. Furthermore, this student manual states that a student may be administratively withdrawn only under the following grounds:

- a. Does not return to the campus to register for the following semester and attend classes in Week One of a semester.
- b. Does not return at time specified for the end of an approved leave.
- c. Is not scheduled for a clinical rotation for a period of 30 days or more and has not applied for and received an approved academic leave of absence;

See Exhibit "F."

11. The letter attached hereto as Exhibit "B" states only two reasons for the administrative withdrawal of

the Plaintiff. One of the reasons, failure to successfully complete AICM course, is not listed in the student manual. The second reason, the plaintiff's failure to pass the USMCE step 1 is incorrect because the plaintiff has yet to take this exam and is registered to do so.

12. Finally, Plaintiff believes that he should have passed the AICM course but the Defendant has not provided Plaintiff his grade for this course.

13. As stated earlier the school has told the Plaintiff that they have withdrawn their sponsorship for the Plaintiff.

14. The Plaintiff has paid for this school semester, and I have attached proof of payment for this school semester as Exhibit "G."

15. Since the school has no reason for withdrawing the Plaintiff from school and no basis for withdrawing their sponsorship of Plaintiff, the Plaintiff seeks to reenroll in the Defendant's school and seeks to compel the Defendant to sponsor the Plaintiff for the USMLE Step 1 Exam.

16. Moreover, the school has reneged on its agreement to sponsor the Plaintiff for the USMLE Step 1 Exam. Exhibit "D".

17. The Plaintiff will suffer irreparable harm and injury if this relief is not granted because if he is not allowed to take the USMLE step 1 exam, now his education will be delayed and the next exam is not until July 27, 2006.

18. As shown above there is a likelihood that Plaintiff will be successful on his cause of action for breach of contract against the school because the school had no reason to Withdraw the Plaintiff from its school and to renege on its obligation to sponsor the Plaintiff for the USMCLE Step One Exam.

19. No previous application has been made to any Court or Judge for the relief requested herein.

STATE OF NEW YORK)
COUNTY OF NEW YORK) ss:

ANAND DASKATH, being duly sworn, deposes and says
that:

1. I am the individual Plaintiff in the above-referenced matter and as such am fully familiar with the facts and circumstances set forth herein.
2. I was administratively withdrawn from the Ross University School of Medicine and denied the opportunity to take the USMLE Medical Boards Step One.
3. I am currently registered for the USMLE step 1 exam, although the school has informed me that they will withdraw their sponsorship and as a result I will not be able to take the test.
4. I believe that I have passed the AICM course but have not received a grade from the school as of yet.

EXHIBIT A

P. 10/30

FAX NO. 17187881611

JUL-25-2006 TUE 04:30 PM GEORGE#

5. I have paid for this school semester, and I have proof of such payment for this school semester.
6. I wish to re-enroll in the school and have the Defendant sponsor me for the USMLE Step 1 Exam.
7. If I am not allowed to take this exam I will be irreparably harm and injured because I will not be allowed to pursue my medical license.
8. I will likely succeed on the merits of this action because as the documents attached to this motion show I was wrongfully withdrawn from the Defendant's school and the Defendant is wrongfully denying me sponsorship for the upcoming July 27, 2006 exam.
9. I am seeking that the school immediately reenroll me and sponsor me for the July 27, 2006 exam.

June 29, 2006

Dear Anand E. Dasrath:

I regret to inform you that effective immediately you have been Administratively Withdrawn from Ross University School of Medicine for failure to register for the May 2006 AICM course. RUSM policy dictates that students must successfully complete the AICM course and pass USMLE Step 1 before advancing into the clinical curriculum. In order for a student to remain enrolled with RUSM, they must either be registered for courses and/or registered for the Boards. Once a student becomes inactive, they are Administratively Withdrawn from RUSM.

Please be advised that if you are a recipient of federal guaranteed student loans, we must inform your lender(s) that you have not attended Ross University since the last day you attended classes or rotated in a clinical clerkship. The impact of your withdrawn status on your federal guaranteed student loans will depend on your specific situation, applicable regulations and the terms and conditions of your loan(s).

Should you ever wish to resume your studies at Ross University School of Medicine, you will be required to submit an application for re-admission to the Admissions Department and be reviewed by the Admissions Committee. To do so, please complete an Admissions application, indicating the reasons of your withdrawal, and submit it to the Admissions Office.

Best wishes in your future endeavors.

Sincerely,

Michael Rendon
University Registrar

Subject: Results of NBME comprehensive shell exam

Attachments:

Dear Students,

We have received the results of your NBME comprehensive exam. Congratulations! You have passed the exam and are now eligible to sit for the USMLE Step 1 exam. Your six-month eligibility period is April 1 - September 30, 2006. You are required to sit for the USMLE Step 1 no later than 9/30/06. You will have 3 attempts or until April 30, 2007 to pass Step 1.

If you have previously submitted a USMLE application along with a waiver, you may now schedule your USMLE Sitting date as soon as you receive your scheduling permit. Be sure to notify this office of the date you schedule.

Please see below for eligible USMLE windows and deadlines to submit USMLE applications. You will be ineligible for an extension beyond the 9/30/06 date so please plan accordingly.

Information regarding the examinations may be obtained from the Educational Commission for Foreign Medical Graduates (ECFMG), 3624 Market Street, Philadelphia, Pennsylvania 19104-2685. Telephone: (215) 386-5900; Fax: (215) 387-9196; Website: www.ecfm.org

Certification by the ECFMG is required for entrance to residency training and licensure. In order to become certified, RUSM students, in addition to passing Steps 1 and 2 of the USMLE, must pass the Test of English as a Foreign Language (TOEFL) and the USMLE Step 2 Clinical Skills (Step 2 CS).

POLICY REGARDING UNITED STATES MEDICAL LICENSING EXAMINATION (USMLE), STEPS 1 & 2

The University has adopted the following policy regarding the United States Medical Licensing Examination:

THE USMLE STEP 1

The School of Medicine uses the USMLE Step 1 as one criteria of a student's overall knowledge necessary for entering into clinical clerkships.

Students become eligible to take the USMLE Step 1 in one of the following ways:

- a) passing all courses in the Basic Science Curriculum and having a 4th semester cumulative GPA of 2.90 or higher; or
- b) passing all courses in the Basic Science Curriculum and having a 4th semester cumulative GPA of 2.89 or lower, and passing the NBME Comprehensive Basic Sciences Examination at the end of the 4th semester; or
- c) taking the BMSI course and passing either the BMSI final comprehensive examination or the NBME Comprehensive Basic Science Examination administered after the completion of the BMSI course.

Students are required to sit for the USMLE Step 1 examination for the first time within 5 months after becoming eligible. Otherwise, the student will be administratively withdrawn.

Students are required to take and pass the USMLE Step 1 in no more than three attempts, and within one calendar year of becoming eligible.

Students who do not pass the USMLE Step 1 in three attempts within a year after becoming eligible are dismissed from the School of Medicine. Such students may apply for readmission. If granted such readmission may require additional preparation in courses taken in Dominica.

Those who receive very low scores on the USMLE in the first or second attempts may be required to repeat certain parts of the curriculum before they can be certified for another attempt. This will also

EXHIB.

Exhibit F

WITHDRAWALS

Students who have been withdrawn (by student request or administrative action) must apply for readmission if they wish to return to the School. Such readmission must be reviewed by the Promotions Committee and is not guaranteed. They will be subject to all academic policies and tuition and fees then in effect, without any "grandfathering" provisions based on their original admission.

STUDENT WITHDRAWALS

Students may not withdraw from a single course during a semester; they must withdraw completely from the School. Basic Science students may begin the withdrawal process by obtaining a withdrawal form from the Campus Registrar's Office in Dominica, and appropriate clearances from the Library, Financial Aid Office, and the Dean of Academic Administration and Student Affairs. Such students will receive W, WP, or WF on their transcripts depending on whether they were passing or failing a course at the time of their withdrawal, as specified under the *Student Grading and Promotions Policies* section of this Handbook.

Refunds, if required, will be determined by the last day of attendance in an academically related activity.

Those who received WF in any of their courses at the time of withdrawal will be reviewed by the Promotions Committee to determine whether they are eligible for readmission.

Students who were failing one or more courses at the time of withdrawal will be on academic probation if they are readmitted.

These students will also be on financial aid probation, and will not receive funds to continue if they are still on academic probation in the succeeding semester.

ADMINISTRATIVE WITHDRAWALS

The University Registrar enters an administrative withdrawal in the student's record when any of the following apply. The student:

- does not return to the campus to register for the following semester and attend classes in Week One of a semester.
- does not return at the time specified for the end of an approved leave.
- is not scheduled for a clinical rotation for a period of 30 days or more and has not applied for and received an approved academic leave of absence.

All students who are administratively withdrawn will be reported as withdrawn effective as of the last day they attended classes. The date of withdrawal will be reported to the U.S. Department of Education, if these students had Stafford loans.

The following papers numbered 1 to 7 read on this motion to dismiss.

Defendant's Notice of Motion to Dismiss - Affidavit of Nancy A. Perri -
Exhibits - Defendant's Memorandum of Law.....1 - 4
Affidavit in Opposition.....5
Reply Affidavit of Enrique Fernandez in Support of Defendant's Motion to
Dismiss - Exhibits.....6 - 7

Defendant's motion to dismiss the action is granted due to plaintiff's failed to properly serve and file the summons and complaint in this action. The court thus does not have jurisdiction over defendant. Plaintiff avers that he is sure his former attorney has properly served defendant but plaintiff has failed to acquire any affidavit of service and asks the court to find it in its stead. Plaintiff has failed to take any other step to correct this procedural, yet, very significant defect. Accordingly, it is hereby

ORDERED, that the motion is granted and the complaint of said plaintiff, ANAND DASRATH, is dismissed as against said defendant ROSS UNIVERSITY SCHOOL OF MEDICINE; and it is further

ORDERED, that the Clerk of the Court is authorized to enter judgment in accordance with the above.

Re: USMLE®/ECFMG® Identification No. 0-704-162-7

Dear Mr. Dasrath:

On behalf of the Educational Commission for Foreign Medical Graduates (ECFMG) Medical Education Credentials Committee, I am writing to inform you the Committee has completed its review of the allegation you engaged in irregular behavior in connection with your failure to notify ECFMG of a change in your eligibility after you applied but before you took the United States Medical Licensing Examination® (USMLE) Step 1 on July 27, 2006, and in your taking the USMLE Step 1 on July 27, 2006 when you were not eligible to take this examination. The ECFMG Committee reviewed this matter at its October 1, 2009 meeting.

In advance of the review, the members of the Committee were provided with the documents listed in my August 9, 2007, March 12, 2008, June 6, 2008 and August 13, 2009 letters.

The ECFMG Committee considered the documentation presented to it. Following careful review, the ECFMG Committee determined that you had engaged in irregular behavior in connection with your failure to notify ECFMG of a change in your eligibility after you applied but before you took the USMLE Step 1 on July 27, 2006, and in your taking the USMLE Step 1 on July 27, 2006 when you were not eligible to take this examination. The ECFMG Committee took action to bar you from admission to all ECFMG examinations and from ECFMG Certification for a yet to be specified period of time, to refer this matter to the USMLE Committee on Irregular Behavior and Score Validity, and to review this matter again after the USMLE Committee's decision.

In accordance with ECFMG policies and procedures, a permanent annotation that you engaged in irregular behavior will be included in your ECFMG record. This annotation shall appear on your ECFMG Certification Verification Service (CVS) Report and ECFMG Status Report. Additional information explaining the basis for the finding of irregular behavior and the resulting action will accompany every ECFMG Status Report and CVS Report and may also be provided to legitimately interested entities. In addition, ECFMG will report the determination of irregular behavior and bar from

ECFMG AED - 000198
